BIO 60 Human Biology
Class 72358

No Enrollment Requirements

Class Notes

This course is part of the First Day Solution program. This program ensures a student will have access to all required digital course materials on or before the first day of class by including the cost of the digital access with enrollment, at a reduced cost. This fee of $89.05 will show as "Inclusive Access" on your student account. The program allows you to opt out of this charge. Opting out of the fee, and the automatic delivery of your digital materials is NOT recommended. If you opt out, you are responsible for purchasing the required course materials. The program allows you to opt out of this charge within your Canvas account before the course refund deadline. Please contact Reed Figueroa at the LAC Viking Campus Store at (562) 938-4550 or Ruth Ramirez at the LAC Viking Campus Store at (562) 938-3106.

Synchronous Online Class: There are required meetings in real-time; meeting day/time patterns are in the schedule. Some instructors may use a combination of scheduled "real time" meetings (synchronous) and online work accessed on the students' chosen time (asynchronous meetings), but the required meetings are regularly scheduled and show in the class schedule. Students must have Internet access and a valid email address. Students email address must be included in their Personal Information on the Viking Student System. Log in to Viking Portal at https://portal.lbcc.edu/sso/ and click on Student Viking System to update preferred email address.
